SUMMARY

Data Science Aspirant with a passion for transforming data into insights. Skilled in **Machine Learning**, **Data Visualization**, and **Automation**. Experienced in workshops, hackathons, and collaborative projects. Strong communicator with leadership and problem-solving abilities.

EDUCATION

Anil Neerukonda Institute of Technology and Sciences (ANITS) *Sep 2023 – Jul 2027*
Bachelor of Technology (B.Tech), **Computer Science and Engineering (Data Science)**
www.anits.org

RELEVANT COURSEWORK

Machine Learning, Artificial Intelligence, Data Mining, Database Systems, Probability & Statistics, Data Structures & Algorithms, Business Intelligence, Big Data Analytics

TECHNICAL SKILLS

- **Programming:** Python, Java, C, HTML, CSS
- **Data Science Tools:** Power BI, Excel, Pandas, NumPy, Scikit-learn
- **Automation:** Robotic Process Automation (RPA)
- **Other:** Git, Problem Solving, Data Structures & Algorithms

PROJECTS

- **Fraud Detection Analysis (Power BI)** – Built dashboards to detect and analyze fraudulent transactions.
- **Stock Market Prediction (ML)** – Developed predictive models with risk & performance analysis.
- **Robotic Process Automation (RPA)** – Automated workflows, improving efficiency and reducing manual effort.

EXPERIENCE & ACTIVITIES

- Conducted a **2-day workshop** on Power BI & Excel, training peers in analytics.
- Participated in multiple **hackathons**, showcasing innovative data-driven solutions.
- Contributed in student coding groups, enhancing teamwork & problem-solving.

CERTIFICATIONS

- Python (Basics) – HackerRank [Certificate](#)
- CSS (Basics) – HackerRank [Certificate](#)
- Problem Solving (Basics) – HackerRank [Certificate](#)
- Java (Basics) – HackerRank [Certificate](#)
- Python Bootcamp – Udemy [Certificate](#)

- Excel (Beginner to Advanced) – Udemy [Certificate](#)

ACHIEVEMENTS

- Solved **50+ problems** on LeetCode – [Profile](#)
- **5 Gold Badge in Python** on HackerRank – [Profile](#)
- Recognized as a **Tech Enthusiast** with a drive for continuous learning.

SOFT SKILLS

Communication, Teamwork, Leadership, Adaptability, Problem-Solving

INTERESTS

Data Science Research, Hackathons, Automation, Open-source Projects, Teaching & Knowledge Sharing
